INSTRUCTIONAL NOTES FOR COMPLETION OF COMPARATIVE INFORMATION FORM

1. Existing life insurance must be identified by name of insurer and the policy number. In the event that a policy number has not been assigned by the existing insurer, an alternative identification form such as an application or receipt number must be shown.
2. If more than one existing life insurance policy is to be replaced, a separate Comparative Information Form is to be provided for each such policy.
3. In the disclosure of values premiums shall be shown only if they increase the cash value or death benefits for the primary insured.
4. Any benefits for secondary insureds shall be shown on a supplementary exhibit.
5. Values will be shown for each year in which either an initial change in face value or premium payment occurs.
6. Values will be shown in the disclosure for the maximum duration policy guarantees permit. If this benefit extension requires that guaranteed policy options be utilized, the option to be used will be that (those) automatically utilized by the issuing insurer. However, if the policy application provides for applicant election, then the extension of benefits will employ the option actually elected by the applicant. Any option utilized for extension of benefits must be identified and briefly explained in the "Policy/Rider Description" section of the Comparative Information Form.
7. The dividend option elected-by an insured or applicant must be identified and briefly explained in the "Policy/Rider Description" section of the Comparative Information Form. The dividend option elected by the insured or applicant must be employed in completing the disclosure of values.
